

Woodland Beach Volunteer Fire Department

AACVFA Outstanding Member of the Quarter Nomination

To: Outstanding Member of the Quarter Committee
From: John Sweeney, Chief – Woodland Beach Volunteer Fire Department
Date: 14 March 2022
Subject: Nomination for AACVFA Outstanding Member of the Quarter – Bruce Beall

Greetings

The Woodland Beach Volunteer Fire Department (WBVFD) nominates Member Bruce Beall for the AACVFA Outstanding Member of the Quarter.

FF/EMT Beall is an operational and administrative member of the WBVFD and has served the citizens of Anne Arundel County in both roles for more than 4 years. He is a keystone member of the department and regularly responds on calls on the ambulance and fire apparatus as FF/EMT. Mr. Beall is the first to volunteer for volunteer upstaffing, weather and special event requests.

Mr. Beall particularly excels as an administrative member. He is the Chairman of the House Committee as well as several other committees. Mr. Beall spends hours every week attending to maintenance issues, emergency repairs, and upgrades to the firehouse, insuring a comfortable, safe, and convenient work environment for our career and volunteer members. Mr. Beall works closely with the leadership of WBVFD to plan, finance, staff and execute projects to include replacement of a roof on an outbuilding. Mr. Beall responds to requests for repairs at all hours, completing those repairs he is qualified to perform and arranging licensed professionals when necessary.

The Officers, Leadership, and Members of the WBVFD appreciate the committee's attention to this nomination for an outstanding, productive and deserving member of the department.

Submitted Very Respectfully:

John Sweeney, Chief

Woodland Beach Volunteer Fire Department

Anne Arundel County Station 2
