To Whom it May Concern:

It is with great pleasure that I submit this nominee for consideration into the LA AACVFA Hall of Fame.

This young lady has been very active in her home company's Auxiliary, as well as the LA AACVFA and AACVFA. Her support to the AACVFA started when she was a youngster vying for the title of the County's Little Miss Fire Prevention in the early 1990s. After winning this title, she ultimately manned the Fire Safety House along with her mother for a number of years, teaching fire safety to youngsters around the County and was the winner of a national fire safety award.

This nominee is a Life member of her Company, where she has served as President, Secretary, and Historian of her Ladies Auxiliary.

She has always shown support to the LA AACVFA where she served as Historian for 2 years. She also served as Chairperson of the Fire Prevention Committee and the Nomination & Elections Committee. It was very rare when she missed a County meeting or event, whether it be LA AACVFA or AACVFA. This dedication shows her interest in her County organization. She assists whenever she is needed and available.

Her occupation as a Supervisor/Project manager of a Customer Service Advocate Center has certainly helped her to become the leader she is today.

Her hobbies include participating in Marathons (26 miles), Half-marathons (13.1 miles), 5-K Runs, as well as traveling abroad. She is a lover of anything Disney or PUGS.

As you can see, this member is a well-rounded individual who is dedicated to her home company, as well as the AACVFA organization. It is for the reasons stated above, I would like for you to consider the induction of Nicole Sohn Henderson of the Earleigh Heights VFC Ladies Auxiliary into the LA AACVFA Hall of Fame.

Respectfully submitted,

Jane Huffman, President
